Dear Mr. Elliott,

With our inaugural Red, White & Blue Scramble Sunday, August 29th, in the books, I would like to thank you personally for being a part of this very successful event.

We had a tremendous turnout with 27 golf teams and 30 hole, cart, and event sponsors. With support from everyone - our participants, volunteers, and sponsors -- we raised more than \$19,000!

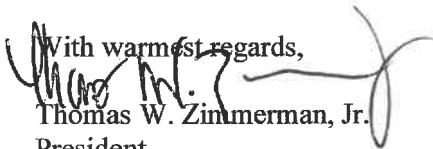

We look forward to making this an annual event and hope to count on your participation again next year. Although raising money is one of our goals when we host a fundraiser, awareness of VOPA's Mission, who we are, and what we stand for is most important. VOPA's Veterans Village will be built by the community and for the community, and we will need everyone to share our story and to give our Veterans a helping hand.

A few highlights from our event:

- ★ We started the day with a moving tribute and moment of silence to honor the fallen soldiers of the conflict in Afghanistan.
- ★ We were honored to have (Ret) Brig. Gen Wilbur Wolf and (Ret) MG John Gronski join us as golfers in the event and speak on VOPA's behalf at the outing.
- ★ Mark Brezitski shot his FIRST ever hole-in-one on hole #8. CONGRATULATIONS Mark!
- ★ Winning team for the tourney was a -16 for the day – though there was a rumor that they had 30 mulligans!
- ★ The caterer, DJ's Smoke Shack provided awesome smoked meats along with all the fixings. Check out DJ's Smoke Shack at the West Shore Farmer's Market. One of the best in the central PA!

We appreciate your support for this event, and we look forward to keeping everyone updated with our progress as we move forward with our project. Don't forget to spread the word about VOPA and follow us on our social media platforms, Facebook and Instagram.
